Headteacher's Update

Dear Parents and Carers,

We have had a wonderful time this week, preparing for Easter. On Monday, the children were put into mixed age groups and did a variety of activities – some in different classrooms around the school and some at Harbour Church. We are so grateful to the team at the church for their generosity, hospitality and kindness. The children had a wonderful time and the teachers asked if they could have days like this more often!

There have been several Easter Bunnies around the school dropping off anonymous gifts of chocolate and children are confessing to having eaten some of their Easter Eggs already! Easter songs can be heard ringing out from the classrooms and we have received some incredible Easter Egg entries for the PTFA competition. The children have been so creative and imaginative; one of my favourite entries was an entire Egg-cellent School Classroom with Mrs Omelette replacing me as the Head Teacher and Egg Sheeran being a notably well-behaved pupil. Nice to see him taking his education seriously rather than Sheeran sheep on a farm all day.

The Term was finished beautifully by the Year 3 children leading the Easter Service, ably assisted by the Year 4 children as their chorus. The children did a magnificent job and it was so lovely to see so many parents and carers attending. Thank you again for the wonderful support you give your child – and our school; we are so grateful.

And so, Term 3 comes to an end and we can celebrate all the amazing learning that has gone on across the school. The children have worked so hard and are making lovely progress and we prepare for next term's SATs, Tables Checks and the Phonic Screener. Do please keep the reading up over the next 10 days with your child and don't forget to return to school on Monday, April 8th so that we can enjoy that blissful extra week's holiday in June when the sun always shines!

Have a wonderful Easter everyone and see you in Term 5!

Amanda

Reading Volunteers

We are looking for Parents/Carers to come in to school to support the children in developing their reading skills.

Listening to a child read is important for many reasons and plays a crucial role in their overall literacy development.

If you have some time to spare and would like to help, please contact the class teacher or speak to Mrs. Harrison.

Thank you
