1. Child Focused Approach to Safeguarding

1.1 Introduction

- Folkestone St. Mary's C. of E. Primary Academy recognises our statutory responsibility to safeguard and promote the welfare of all children. Safeguarding and promoting the welfare of children is **everybody's** responsibility and everyone has a role to play. All members of our community (staff, volunteers, governors, leaders, parents/carers, wider family networks, and pupils) have an important role in safeguarding children and all have an essential role to play in making our community safe and secure.
- Folkestone St. Mary's C. of E. Primary Academy believes that the best interests of children always come first. All children (defined in law and in this policy as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, sex (gender), ability, culture, race, language, religion or sexual identity or orientation, have equal rights to protection.
- Staff working with children at Folkestone St. Mary's C. of E. Primary Academy will maintain an attitude of 'it could happen here' where safeguarding is concerned. When concerned about the welfare of a child, staff will always act in the best interests of the child and if any member of our community has a safeguarding concern about any child or adult, they should act and act immediately.
- This policy applies where there are any child protection concerns regarding children who attend the Academy but may also apply to other children connected to the Academy, for example, siblings, or younger members of staff (under 18s) or children on student/work placements.
- Folkestone St. Mary's C. of E. Primary Academy recognises the importance of providing an ethos and environment within school that will help children to be safe and to feel safe. In our Academy, children are respected and are encouraged to talk openly. We will ensure children's wishes and feelings are taken into account when determining what safeguarding action to take and what services to provide.
- Folkestone St. Mary's C. of E. Primary Academy recognises the importance of adopting a trauma informed approach to safeguarding; we understand there is a need to consider the root cause of children's behaviour and consider any underlying trauma.
- Our core safeguarding principles are:
 - **Prevention:** positive, supportive, safe culture, curriculum and pastoral opportunities for children, safer recruitment procedures.
 - **Protection:** following the agreed procedures, ensuring all staff are trained and supported to recognise and respond appropriately and sensitively to safeguarding concerns.
 - **Support:** adopt a child centred approach and provide support for all pupils, parents/carers and staff, and where appropriate, implement specific interventions for those who may be at risk of harm.
 - **Collaboration:** with both parents where possible, and other agencies to ensure timely, appropriate communications and actions are undertaken when safeguarding concerns arise.
- The procedures contained in this policy apply to all staff, including governors, temporary or third-party agency staff and volunteers, and are consistent with those outlined within 'Keeping Children Safe in Education' 2023.

1.2 Policy Context

- This policy is implemented in accordance with our compliance with the statutory guidance from the Department for Education, 'Keeping Children Safe in Education' which requires individual schools and colleges to have an effective child protection policy.
- This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004 and related guidance. This includes but is not limited to:
 - Keeping Children Safe in Education (KCSIE)
 - Working Together to Safeguard Children (WTSC)
 - Ofsted: Education Inspection Framework

- Framework for the Assessment of Children in Need and their Families 2000
 - [Kent and Medway Safeguarding Children Procedures](#)
 - Early Years and Foundation Stage Framework (EYFS)
 - The Education Act 2002
 - The Education (Independent School Standards) Regulations 2014
 - The Non-Maintained Special Schools (England) Regulations 2015
 - The Human Rights Act 1998
 - The Equality Act 2010 (including the Public Sector Equality Duty)
- Section 175 of the Education Act 2002 requires school governing bodies, local education authorities and further education institutions to make arrangements to safeguard and promote the welfare of all children who are pupils at a school, or who are students under 18 years of age. Such arrangements will have to have regard to any guidance issued by the Secretary of State.
 - Folkestone St. Mary's C. of E. Primary Academy will follow local or national guidance in response to any emergencies. We will amend this policy and our procedures as necessary but regardless of the action required, our safeguarding principles will always remain the same and the welfare of the child is paramount.
 - Folkestone St. Mary's C. of E. Primary Academy recognises that as a result of the Covid-19 pandemic, some members of our community may have been exposed to a range of adversity and trauma including bereavement, anxiety and in some cases experienced increased welfare and/or safeguarding risks. We will work with local services, such as health and the local authority, to ensure necessary support is in place.

The policy will also be revised following any national or local updates, significant local or national safeguarding events and/or learning, and/or any changes to our own procedures.
- All staff (including temporary staff) will be instructed to read this policy and Part One and/or Annex A of KCSIE as appropriate. 2. Key Responsibilities

2.1 Governance and Leadership

- The Governing Body and leadership team have a strategic responsibility for our safeguarding arrangements and will comply with their duties under legislation. The Governing Body have regard to the KCSIE guidance and will ensure our policies, procedures and training is effective and complies with the law at all times.
- The Governing Body will facilitate a whole school approach to safeguarding which involves everyone. They will ensure that safeguarding and child protection are at the forefront and underpin all relevant aspects of process and policy development, so that all systems, processes, and policies operate with the best interests of the child at their heart.
- The Governing Body are aware of their obligations under the Human Rights Act 1998, the Equality Act 2010, (including the Public Sector Equality Duty), and the local multi-agency safeguarding arrangements set out by the Kent Safeguarding Children Multi-Agency Partnership ([KSCMP](#)).
 - This includes but is not limited to safeguarding all members of the school community (for example, staff, pupils, parents/carers and other family members) identified with protected characteristics within the Equality Act; age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation.

- The Head Teacher will ensure that our child protection and safeguarding policies and procedures adopted by the Governing Body, are understood, and followed by all staff.
- The Governing Body will ensure an appropriate senior member of staff, from the Academy leadership team, is appointed to the role of designated safeguarding lead. The Governing Body and leadership team will ensure that the DSL is supported in their role and is provided with sufficient time so they can provide appropriate support to staff and children regarding any safeguarding and welfare concerns.
- The Academy has a nominated governor for safeguarding. The nominated governor will support the DSL and have oversight in ensuring that the Academy has an effective policy which interlinks with other related policies, that locally agreed procedures are in place and being followed, and that the policies are reviewed at least annually and when required.

2.2 Designated Safeguarding Lead (DSL)

- The Academy has appointed Mrs. Amanda Wolfram, Head Teacher, a member of the senior leadership team, as the Designated Safeguarding Lead (DSL).
- The DSL has overall responsibility for the day-to-day oversight of safeguarding and child protection systems (including online safety and understanding the filtering and monitoring systems and processes in place) in school. Whilst the activities of the DSL may be delegated to the deputies, the ultimate lead responsibility for safeguarding and child protection remains with the DSL.
- The Academy has also appointed Deputy DSLs who will have delegated responsibilities and act in the DSL's absence.
 - Kim Gardiner - Business Manager, Richard Russell - Deputy Head and Emma Tugwood - Nursery Manager.
- The DSL (and any deputies) will be more likely to have a complete safeguarding picture and will be the most appropriate person to advise staff on the response to any safeguarding concerns.
- It is the role of the DSL to carry out their functions as identified in Annex C of KCSIE. This includes but is not limited to:
 - Acting as the central contact point for all staff to discuss any safeguarding concerns.
 - Maintaining a confidential recording system for safeguarding and child protection concerns.
 - Coordinating safeguarding action for individual children.

- When supporting children with a social worker or looked after children, the DSL should have the details of the child's social worker and the name of the virtual school head in the authority that looks after the child, with the DSL liaising closely with the designated teacher.
 - Liaising with other agencies and professionals in line with KCSIE and WTSC.
 - Representing, or ensure the Academy is appropriately represented at multi-agency safeguarding meetings (including child protection conferences).
 - Managing and monitoring the Academy role in any multi-agency plan for a child.
 - Being available during term time (during school hours) for staff in the school to discuss any safeguarding concerns.
 - Ensuring adequate and appropriate DSL cover arrangements in response to any closures and any out of hours and/or out of term activities.
 - Taking lead responsibility for online safety, including understanding the filtering and monitoring systems and processes in place.
 - Helping promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues that children, including children with a social worker, are experiencing, or have experienced, with teachers and Academy leadership staff.
 - Ensuring all staff access appropriate safeguarding training and relevant updates in line with the recommendations within KCSIE.
- The DSL will undergo appropriate and specific training to provide them with the knowledge and skills required to carry out their role. Deputy DSLs will be trained to the same standard as the DSL. The DSLs' training will be updated formally at least every two years, but their knowledge and skills will be updated through a variety of methods at regular intervals and at least annually.

2.3 Members of Staff

- Our staff play a particularly important role in safeguarding as they are in a position to observe any changes in a child's behaviour or appearance, identify concerns early, provide help for children, promote children's welfare and prevent concerns from escalating.
- All members of staff have a responsibility to:
 - provide a safe environment in which children can learn.
 - be aware of the indicators of abuse and neglect so that they can identify cases of children who may need help or protection.
 - know what to do if a child tells them that they are being abused, neglected, or exploited and understand the impact abuse and neglect can have upon a child.
 - be able to identify and act upon indicators that children are, or at risk of developing mental health issues.
 - be prepared to identify children who may benefit from early help.
 - understand the early help process and their role in it.
 - understand the Academy safeguarding policies and systems.
 - undertake regular and appropriate training which is regularly updated.
 - be aware of the local process of making referrals to children's social care and statutory assessment under the Children Act 1989.
 - know how to maintain an appropriate level of confidentiality.
 - reassure children who report concerns that they are being taken seriously and that they will be supported and kept safe.
 - act in line with Teachers' Standards 2012 which state that teachers (including headteachers) should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties.
- Staff at Folkestone St. Mary's C. of E. Primary Academy recognises that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as being abusive or harmful. This should not prevent staff from having professional curiosity and speaking to a DSL if they have any concerns about a child.
- Staff at Folkestone St. Mary's C. of E. Primary Academy will determine how best to build trusted relationships with children, young people and parents/carers which facilitate appropriate professional communication in line with existing and relevant policies, for example, our staff behaviour and pupil/student behaviour policies.

2.4 Children and Young People

- Children and young people have a right to:

- Feel safe, be listened to, and have their wishes and feelings taken into account.
- Confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.
- Contribute to the development of Academy safeguarding policies.
- Receive help from a trusted adult.
- Learn how to keep themselves safe, including online.

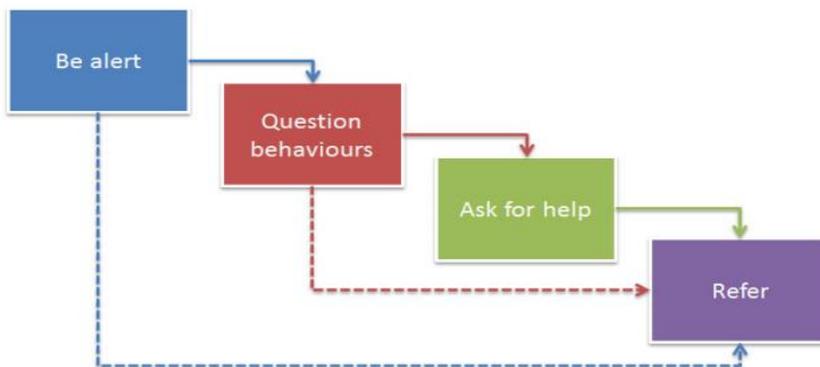

2.5 Parents and Carers

- Parents/carers have a responsibility to:
 - Understand and adhere to the relevant Academy policies and procedures.
 - Talk to their children about safeguarding issues and support the Academy in their safeguarding approaches.
 - Identify behaviours which could indicate that their child is at risk of harm, including online.
 - Seek help and support from the Academy or other agencies.

3. Child Protection Procedures

3.1 Recognising indicators of abuse and neglect

- Staff will maintain an attitude of 'it could happen here' where safeguarding is concerned. When concerned about the welfare of a child, staff will always act in the best interests of the child.
- All staff are made aware of the definitions and indicators of abuse and neglect as identified by 'Working Together to Safeguard Children' and 'Keeping Children Safe in Education'. This is outlined locally within the [Kent Support Levels Guidance](#).
- Folkestone St. Mary's C. of E. Primary Academy recognises that when assessing whether a child may be suffering actual or potential harm there are four categories of abuse (for more in-depth information, see appendix 1):
 - Physical abuse
 - Sexual abuse
 - Emotional abuse
 - Neglect
- By understanding the indicators of abuse and neglect, we can respond to problems as early as possible and provide the right support and services for the child and their family.
- All members of staff are expected to be aware of and follow the below approach if they are concerned about a child:

['What to do if you are worried a child is being abused'](#) 2015

- Folkestone St. Mary's C. of E. Primary Academy recognises that concerns may arise in many different contexts and can vary greatly in terms of their nature and seriousness. The indicators of child abuse and neglect can vary from child to child. Children develop and mature at different rates, so what appears to be worrying behaviour for a younger child might be normal for an older child. It is important to recognise that indicators of abuse and neglect do not automatically mean a child is being abused, however all concerns should be taken seriously and will be explored by the DSL on a case-by-case basis.

- Folkestone St. Mary's C. of E. Primary Academy recognises abuse, neglect, and safeguarding issues are rarely standalone events and cannot always be covered by one definition or one label alone. In many cases, multiple issues will overlap with one another, therefore staff will always be vigilant and always raise concerns with a DSL.
- Parental behaviours can indicate child abuse or neglect, so staff will be alert to parent-child interactions or concerning parental behaviours; this could include parents who are under the influence of drugs or alcohol or if there is a sudden change in their mental health.
- Children may report abuse happening to themselves, their peers, or their family members. All reports made by children to staff will be taken seriously and will be responded to in line with this policy.
- Safeguarding incidents and/or behaviours can be associated with factors and risks outside the Academy. Children can be at risk of abuse or exploitation in situations outside their families; extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, sexual abuse, serious youth violence and county lines.
- Folkestone St. Mary's C. of E. Primary Academy recognises that technology can be a significant component in many safeguarding and wellbeing issues; children are at risk of abuse online from people they know (including other children) and from people they do not know; in many cases, abuse will take place concurrently via online channels and in daily life.
- Folkestone St. Mary's C. of E. Primary Academy recognises that some children have additional or complex needs and may require access to intensive or specialist services to support them.
 - Following a concern about a child's safety or welfare, the searching and screening of children and confiscation of any items, including any electronic devices, will be managed in line with the Academy Behaviour Policy, which is informed by the DfE [searching, screening and confiscation at school](#) guidance.
 - The DSL (or deputy) will be informed of any searching incidents where there were reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in our behaviour policy. The DSL (or deputy) will then consider the circumstances of the pupil who has been searched to assess the incident against any potential wider safeguarding concerns.
 - Staff will involve the DSL (or deputy) without delay if they believe that a search has revealed a safeguarding risk.

3.2 Responding to child protection concerns

- If staff are made aware of a child protection concern, they are expected to:
 - listen carefully to child, reflecting back the concern.
 - use the child's language.
 - be non-judgmental.
 - avoid leading questions; only prompting the child where necessary with open questions to clarify information where necessary. For example, who, what, where, when or Tell, Explain, Describe (TED).
 - not promise confidentiality as concerns will have to be shared further, for example, with the DSL and potentially Integrated Children's Services.
 - be clear about boundaries and how the report will be progressed.
 - record the concern using the facts as the child presents them, in line with Academy record keeping requirements.
 - inform the DSL (or deputy), as soon as practically possible.
- If staff have any concerns about a child's welfare, they are expected to act on them immediately. If staff are unsure if something is a safeguarding issue, they will speak to the DSL (or deputy).
- The DSL or a deputy should always be available to discuss safeguarding concerns. If in exceptional circumstances, a DSL is not available, this should not delay appropriate action being taken by staff. Staff should speak to a member of the senior leadership team, take advice from the Education Safeguarding Service or a consultation with a social worker from the Front Door (for contact information, see flowchart on page). In these circumstances, any action taken will be shared with a DSL as soon as is possible.
- All staff are made aware that early information sharing is vital for the effective identification, assessment, and allocation of appropriate service provision, whether this is when problems first emerge, or where a child is already known to

other agencies. Staff will not assume a colleague, or another professional will act and share information that might be critical in keeping children safe.

- Folkestone St. Mary's C. of E. Primary Academy will respond to safeguarding concerns in line with the Kent Safeguarding Children Multi-Agency Partnership procedures (KSCMP).
- The full KSCMP procedures and additional guidance relating to reporting concerns and specific safeguarding issues can be found on their website: www.kscmp.org.uk
- In Kent, Early Help and Preventative Services and Children's Social Work Services are part of Integrated Children's Services (ICS). Specific information and guidance to follow with regards to accessing support and/or making referrals in Kent can be found at: www.kelsi.org.uk/support-for-children-and-young-people/integrated-childrens-services
- Where it is identified a child may benefit from Early Help support, the DSL (or deputy) will generally lead as appropriate and make a request for support via the Front Door.
- The DSL will keep all Early Help cases under constant review and consideration will be given to escalating concerns to the Front Door or seeking advice via the Education Safeguarding Service if the situation does not appear to be improving or is getting worse.
- All staff are made aware of the process for making referrals to Integrated Children's Services and for statutory assessments under the Children Act 1989, especially section 17 (children in need) and section 47 (a child suffering, or likely to suffer, significant harm) that may follow a referral, along with the role they might be expected to play in such assessments.
- Where a child is suffering, or is likely to suffer from harm, or is in immediate danger (for example, under section 17 or 47 of the Children Act), a 'request for support' will be made immediately to Kent [Integrated Children's Services](#) (via the 'Front Door') and/or the police, in line with KSCMP procedures.
- Folkestone St. Mary's C. of E. Primary Academy recognise that in situations where there are immediate child protection concerns for a child as identified in line with Support Level Guidance, it is NOT to investigate as a single agency, but to act in line with KSCMP guidance which may involve multi-agency decision making.
- The DSL may seek advice or guidance from an Area Education Safeguarding Advisor from the Education Safeguarding Service before deciding next steps.
- They may also seek advice or guidance from a social worker at the Front Door service who are the first point of contact for [Integrated Children's Services](#) (ICS).
- In the event of a request for support to the Front Door being necessary, parents/carers will be informed and consent to this will be sought by the DSL in line with guidance provided by KSCMP and ICS. Parents/carers will be informed of this, unless there is a valid reason not to do so, for example, if to do so would put a child at risk of harm or would undermine a criminal investigation.
- If, after a request for support or any other planned external intervention, a child's situation does not appear to be improving, or concerns regarding receiving a decision or the decisions made, staff or the DSL will re-refer (if appropriate) and/or DSLs will follow the [Kent Escalation and Professional Challenge Policy](#) to ensure their concerns have been addressed and, most importantly, that the child's situation improves. DSLs may request support with this via the Education Safeguarding Service.
- DSLs and staff will be mindful of the need for the Academy to ensure any activity or support implemented to support children and/or families is recorded. Support provided by the Academy where families are struggling will be overseen and reviewed by the DSL on a regular basis to ensure activity does not obscure potential safeguarding concerns from the wider professional network. Where the Academy is unsure, advice will be sought from the Education Safeguarding Service.

3.3 Recording Concerns

- All safeguarding concerns, discussions, decisions, and reasons for those decisions, will be recorded in writing on the Academy safeguarding system and passed without delay to the DSL.
- Safeguard concern forms are recorded and can be found in the Staffroom on the Safeguard Notice Board.

- Records will be completed as soon as possible after the incident/event, using the child's words and will be signed and dated by the member of staff. Child protection records will record facts and not personal opinions. A body map will be completed if visible injuries to a child have been observed.
- If there is an immediate safeguarding concern the member of staff will consult with a DSL before completing the form as reporting urgent concerns takes priority.
- If members of staff are in any doubt about recording requirements, they will discuss their concerns with the DSL.
- Child protection records will include a clear and comprehensive summary of the concern, details of how the concern was followed up and resolved and details regarding any action taken, decisions reached and the outcome.
- Child protection records are kept confidential and stored securely. Child protection records will be kept for individual children and will be maintained separately from all other records relating to the child in the Academy. Child protection records are kept in accordance with data protection legislation and are retained centrally and securely by the DSL.
- All child protection records will be transferred in accordance with data protection legislation to the child's subsequent School, under confidential and separate cover as soon as possible; within 5 days for an in-year transfer or within the first 5 days of the start of a new term. Child protection files will be transferred securely to the new DSL, separately to the child's main file, and a confirmation of receipt will be obtained.
- In addition to the child protection file, the DSL will also consider if it would be appropriate to share any information with the DSL at the new school or college in advance of a child leaving, for example, information that would allow the new school or college to continue to provide support.
- Where the Academy receives child protection files from another setting, the DSL will ensure key staff such as the Special Educational Needs Co-Ordinators (SENCOs)/named person with oversight for SEN, will be made aware of relevant information as required.
- Where a pupil joins the school and no child protection files are received, the DSL will proactively seek to confirm from the previous setting whether any child protections exist for the pupil, and if so, if the files have been sent.

3.4 Multi Agency Working

- Folkestone St. Mary's C. of E. Primary Academy recognises the pivotal role we have to play in multi-agency safeguarding arrangements and is committed to its responsibility to work within the [KSCMP](#) multi-agency safeguarding arrangements as identified within 'Working Together to Safeguard Children'.
- The Academy Leadership Team, Governing Body and DSL will work to establish strong and co-operative local relationships with professionals in other agencies, including the safeguarding partners in line with local and national guidance.
- Folkestone St. Mary's C. of E. Primary Academy recognises the importance of multi-agency working and is committed to working alongside partner agencies to provide a coordinated response to promote children's welfare and protect them from harm. This includes contributing to [KSCMP](#) processes as required, such as, participation in relevant safeguarding multi-agency plans and meetings, including Child Protection Conferences, Core Groups, Strategy Meetings, Child in Need meetings or other early help multi-agency meetings.
- The Academy will allow access for Kent Children's Social Work Service and, where appropriate, from a placing local authority, to conduct, or to consider whether to conduct, a section 17 or a section 47 assessment.
- The Head Teacher and DSL are aware of the requirement for children to have an Appropriate Adult ([PACE Code C 2019](#)) where there is a need for detention, treatment and questioning by police officers and will respond to concerns in line with our Academy Behaviour Policy, which is informed by the DfE '[Searching, screening and confiscation at school](#)' guidance. **Head Teachers and DSLs should access the DfE '[Searching, screening and confiscation at school](#)' guidance.**

3.5 Confidentiality and information sharing

- Folkestone St. Mary's C. of E. Primary Academy recognises our duty and powers to hold, use and share relevant information with appropriate agencies in matters relating to child protection at the earliest opportunity as per statutory guidance outlined within KCSIE.
- Where reasonably possible, the Academy will hold more than one emergency contact number for each pupil/student. There is an expectation that emergency contact information will be held for both parents, unless doing so would put a child at risk of harm.

- Folkestone St. Mary's C. of E. Primary Academy has an appropriately trained Data Protection Officer (DPO) as required by the UK General Data Protection Regulations (UK GDPR) to ensure that our Academy is compliant with all matters relating to confidentiality and information sharing requirements. Mr. Peter Talbot, Head Teacher of Castle Hill Primary School, Folkestone is the Academy DPO.
- Staff will have due regard to the relevant data protection principles, which allow them to share and withhold personal information. The Data Protection Act 2018 and UK GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children.
- The Head Teacher/DSL will disclose relevant safeguarding information about a pupil with staff on a 'need to know' basis.
- All members of staff must be aware that whilst they have duties to keep information confidential, in line with our confidentiality policy, staff also have a professional responsibility to be proactive in sharing information as early as possible to help identify, assess, and respond to risks or concerns about the safety and welfare of children; this may include sharing information with the DSL and with other agencies as appropriate.
- In regard to confidentiality and information sharing, staff will only involve those who need to be involved, such as the DSL (or a deputy) and Kent Integrated Children's Services. All staff are aware they cannot promise a child that they will not tell anyone about a report of any form of abuse, as this may not be in the best interests of the child.

3.6 Complaints

- All members of the Academy community should feel able to raise or report any concerns about children's safety or potential failures in the Academy safeguarding regime. The Academy has a complaints procedure available to parents, pupils and members of staff and visitors who wish to report concerns or complaints. This can be found on the school website www.stmarysfolkestone.com.
- Whilst we encourage members of our community to report concerns and complaints directly to us, we recognise this may not always be possible. Children, young people, and adults who have experienced abuse in education can contact the NSPCC 'Report Abuse in Education' helpline on 0800 136 663 or via email: help@nspcc.org.uk
- Staff can also access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally.
 - Staff can call 0800 028 0285 (8:00 AM to 8:00 PM Monday to Friday) or email help@nspcc.org.uk.
- The Leadership Team at Folkestone St. Mary's C. of E. Primary Academy will take all concerns reported to the Academy seriously and all complaints will be considered and responded to in line with the relevant and appropriate process.
 - Anything that constitutes an allegation against a member of staff or volunteer will be dealt with in line with section 8 of this policy.

4. Specific Safeguarding Issues

- Folkestone St. Mary's C. of E. Primary Academy is aware of the range of specific safeguarding issues and situations that can put children at greater risk of harm. In addition to Part one, DSLs, Academy Leaders and staff who work directly with children will read Annex B of KCSIE which contains important additional information about the following specific forms of abuse and safeguarding issues.
- Where staff are unsure how to respond to specific safeguarding issues, they should follow the processes as identified in part 3 of this policy and speak with the DSL or a deputy.

4.1 Child-on-Child Abuse

- All members of staff at Folkestone St. Mary's C. of E. Primary Academy recognise that children can abuse other children (referred to as child-on-child abuse, previously known as 'peer-on-peer' abuse), and that it can happen both inside and outside of Academy and online.

- Folkestone St. Mary's C. of E. Primary Academy recognises that child-on-child abuse can take many forms, including but not limited to:
 - Bullying, including cyberbullying, prejudice-based and discriminatory bullying
 - Abuse in intimate personal relationships between children
 - Physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
 - Sexual violence and sexual harassment
 - Consensual and non-consensual sharing of nudes and semi-nude images and/or videos (also known as sexting or youth produced sexual imagery)
 - Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
 - Upskirting (which is a criminal offence), which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm
 - Initiation/hazing type violence and rituals
- Any allegations of child-on-child abuse will be recorded, investigated, and dealt with in line with this child protection policy and KCSIE (in particular, part two and five).
- Folkestone St. Mary's C. of E. Primary Academy adopts a zero-tolerance approach to child-on-child abuse. We believe that abuse is abuse and it will never be tolerated or dismissed as "just banter", "just having a laugh", "part of growing up" or "boys being boys"; this can lead to a culture of unacceptable behaviours and can create an unsafe environment for children and a culture that normalises abuse, which can prevent children from coming forward to report it.
- All staff have a role to play in challenging inappropriate behaviours between children. Staff recognise that some child-on-child abuse issues may be affected by gender, age, ability and culture of those involved. For example, for gender-based abuse, girls are more likely to be victims and boys more likely to be perpetrators.
- Folkestone St. Mary's C. of E. Primary Academy recognises that even if there are no reported cases of child-on-child abuse, such abuse is still likely to be taking place and it may be the case that it is just not being reported. As such, it is important that staff speak to the DSL (or deputy) about any concerns regarding child-on-child abuse.
- In order to minimise the risk of child-on-child abuse, Folkestone St. Mary's C. of E. Primary Academy will:
 - Understand what child-on-child abuse is.
 - Provide appropriate and regularly updated staff training.
 - Create a preventative curriculum programme.
 - Consider our context and work with local partners to provide effective support
 - Seek specialist support
- Folkestone St. Mary's C. of E. Primary Academy want children to feel able to confidently report abuse and know their concerns will be treated seriously. All allegations of child-on-child abuse will be reported to the DSL and will be recorded, investigated, and dealt with in line with associated Academy policies, including child protection, anti-bullying, and behaviour. Pupils who experience abuse will be offered appropriate support, regardless of where the abuse takes place.
- Concerns about pupils' behaviour, including child-on-child abuse taking place offsite will be responded to as part of a partnership approach with pupils and parents/carers. Offsite behaviour concerns will be recorded and responded to in line with existing appropriate policies, for example anti-bullying, acceptable use, behaviour and child protection policies. **Section 89(5) of the Education and Inspections Act 2006 gives headteachers a statutory power to discipline pupils for poor behaviour outside of the school premises, for example, when children are not under the lawful control or charge of a member of school staff, to such extent as is reasonable. This legislation is for schools only and is not applicable to independent schools.**
- Alleged victims, alleged perpetrators and any other child affected by child-on-child abuse will be supported by:
- Taking reports seriously, listening carefully, avoiding victim blaming, providing appropriate pastoral support, working with parents/carers, reviewing educational approaches, following procedures as identified in other policies. For example, the Academy anti-bullying policy, behavior and child protection policy, and where necessary and appropriate, informing the police.

4.2 Child-on-child sexual violence and sexual harassment

- When responding to concerns relating to child-on-child sexual violence or harassment, Folkestone St. Mary's C. of E. Primary Academy will follow the guidance outlined in Part five of KCSIE.
- Folkestone St. Mary's C. of E. Primary Academy recognises that sexual violence and sexual abuse can happen anywhere, and all staff will maintain an attitude of 'it could happen here.' Folkestone St. Mary's C. of E. Primary Academy recognises sexual violence and sexual harassment can occur between two children of any age and sex. It can occur through a group of children sexually assaulting or sexually harassing a single child or group of children and can occur online and face to face (both physically and verbally). Sexual violence and sexual harassment is never acceptable.
- **All** victims of sexual violence or sexual harassment will be reassured that they are being taken seriously, regardless of how long it has taken them to come forward, and that they will be supported and kept safe. A victim will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment, or ever be made to feel ashamed for making a report.
- Abuse that occurs online or outside of the Academy will not be dismissed or downplayed and will be treated equally seriously and in line with relevant policies/procedures, for example anti-bullying, behaviour, child protection, online safety.
- Folkestone St. Mary's C. of E. Primary Academy recognises that the law is in place to protect children and young people rather than criminalise them, and this will be explained in such a way to pupils that avoids alarming or distressing them.
- Folkestone St. Mary's C. of E. Primary Academy recognises that an initial disclosure to a trusted adult may only be the first incident reported, rather than representative of a singular incident and that trauma can impact memory, so children may not be able to recall all details or timeline of abuse. All staff will be aware certain children may face additional barriers to telling someone, for example because of their vulnerability, disability, sex, ethnicity, and/or sexual orientation.
- The DSL (or deputy) is likely to have a complete safeguarding picture and will be the most appropriate person to advise on the initial response.
 - The DSL will make an immediate risk and needs assessment which will be considered on a case-by-case basis which explores how best to support and protect the victim and the alleged perpetrator, and any other children involved/impacted, in line with part five of KCSIE and relevant local/national guidance and support, for example [KSCMP](#) procedures and support from the Education Safeguarding Service.
 - Any concerns involving an online element will take place in accordance with relevant local/national guidance and advice.
- Reports will initially be managed internally by the Academy and where necessary will be referred to [Integrated Children's Services](#) (Early Help and/or Children's Social Work Service) and/or the police. Important considerations which may influence this decision include:
 - the wishes of the victim in terms of how they want to proceed.
 - the nature of the alleged incident(s), including whether a crime may have been committed and/or whether Harmful Sexual Behavior has been displayed.
 - the ages of the children involved.
 - the developmental stages of the children involved.
 - any power imbalance between the children.
 - if the alleged incident is a one-off or a sustained pattern of abuse - sexual abuse can be accompanied by other forms of abuse and a sustained pattern may not just be of a sexual nature.
 - that sexual violence and sexual harassment can take place within intimate personal relationships between children.
 - understanding intra familial harms and any necessary support for siblings following incidents.
 - whether there are any ongoing risks to the victim, other children, adult students, or Academy staff.
 - any other related issues and wider context, including any links to child sexual exploitation and child criminal exploitation.
- The Academy will in most instances engage with both the victim's and alleged perpetrator's parents/carers when there has been a report of sexual violence; this might not be necessary or proportionate in the case of sexual harassment

and will depend on a case-by-case basis. The exception to this is if there is a reason to believe informing a parent/carer will put a child at additional risk. Any information shared with parents/carers will be in line with information sharing expectations, our confidentiality policy, and any data protection requirements, and where they are involved, will be subject to discussion with other agencies (for example Children's Social Work Service and/or the police) to ensure a consistent approach is taken.

- If at any stage the DSL is unsure how to proceed, advice will be sought from the Education Safeguarding Service.

4.3 Nude and/or semi-nude image sharing by children

The term 'sharing nudes and semi-nudes' is used to mean the sending or posting of nude or semi-nude images, videos or live streams of/by young people under the age of eighteen. Creating and sharing nudes and semi-nudes of under-18s (including those created and shared with consent) is illegal which makes responding to incidents complex. The [UKCIS Sharing nudes and semi-nudes: advice for education settings working with children and young people' guidance](#) outlines how schools and colleges should respond to all incidents of consensual and non-consensual image sharing; it should be read and understood by all DSLs working with all age groups.

- Folkestone St. Mary's C. of E. Primary Academy recognises that consensual and non-consensual sharing of nudes and semi-nude images and/or videos (also known as youth produced/involved sexual imagery or "sexting") can be a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).
- When made aware of concerns involving consensual and non-consensual sharing of nudes and semi-nude images and/or videos by children, staff are advised:
 - to report any concerns to the DSL immediately.
 - never to view, copy, print, share, forward, store or save the imagery, or ask a child to share or download it – this may be illegal. If staff have already inadvertently viewed imagery, this will be immediately reported to the DSL.
 - not to delete the imagery or ask the child to delete it.
 - to avoid saying or doing anything to blame or shame any children involved.
 - to reassure the child(ren) involved and explain that the DSL will be informed so they can receive appropriate support and help. Do not promise confidentiality, as other agencies may need to be informed and be involved.
 - not to investigate or ask the child(ren) involved to disclose information regarding the imagery
 - to not share information about the incident with other members of staff, children/young people, or parents/carers, including the families and child(ren) involved in the incident; this is the responsibility of the DSL.
- DSLs will respond to concerns in line with the non-statutory UKCIS guidance: '[Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)' and the local [KSCMP](#) guidance. When made aware of a concern involving consensual and non-consensual sharing of nudes and semi-nude images and/or videos:
 - The DSL will hold an initial review meeting to explore the context and ensure appropriate and proportionate safeguarding action is taken in the best interests of any child involved. This may mean speaking with relevant staff and the children involved as appropriate.
 - Parents/carers will be informed at an early stage and be involved in the process to best support children, unless there is good reason to believe that involving them would put a child at risk of harm.
 - All decisions and action taken will be recorded in line with our child protection procedures.
 - A referral will be made to ICS and/or the police immediately if:
 - the incident involves an adult (over 18).
 - there is reason to believe that a child has been coerced, blackmailed, or groomed, or there are concerns about their capacity to consent, for example, age of the child or they have special educational needs.
 - the image/videos involve sexual acts and a child under the age of thirteen, depict sexual acts which are unusual for the child's developmental stage, or are violent.
 - a child is at immediate risk of harm owing to the sharing of nudes and semi-nudes.
 - The DSL may choose to involve other agencies at any time if further information/concerns are disclosed at a later date.
 - If DSLs are unsure how to proceed, advice will be sought from the Education Safeguarding Service.

4.4 Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

- Folkestone St. Mary's C. of E. Primary Academy recognises that both CSE and CCE are forms of abuse that occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial

advantage or increased status of the perpetrator or facilitator and/or through violence or the threat of violence. CSE and CCE can affect children, both male and female and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation.

- Folkestone St. Mary's C. of E. Primary Academy recognises that children can become trapped in CCE as perpetrators can threaten victims and their families with violence or entrap and coerce them into debt. Children involved in criminal exploitation often commit crimes themselves which can mean their vulnerability as victims is not always recognised (particularly older children) and they are not treated as victims, despite the harm they have experienced. The experience of girls who are criminally exploited can also be very different to that of boys. We also recognise that boys and girls being criminally exploited may be at higher risk of child sexual exploitation (CSE).
- Folkestone St. Mary's C. of E. Primary Academy recognises that CSE can occur over time or be a one-off occurrence and may happen without the child's immediate knowledge, for example through others sharing videos or images of them on social media. CSE can affect any child who has been coerced into engaging in sexual activities and includes 16- and 17-year-olds who can legally consent to have sex. Some children may not realise they are being exploited, for example they may believe they are in a genuine romantic relationship.
- If staff are concerned that a child may be at risk of CSE or CCE, immediate action should be taken by speaking to the DSL or a deputy.

4.5 Serious Violence

- All staff are aware of the indicators which may signal children are at risk from or are involved with serious violent crime. These may include unexplained gifts or new possessions, increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or a significant change in wellbeing, or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs and may be at risk of CCE.
- Any concerns regarding serious violence will be reported and responded to in line with other child protection concerns by speaking with a DSL or deputy. The initial response to child victims is important and staff will take any allegations seriously and work in ways that support children and keep them safe.

4.6 Modern Slavery

- Modern slavery encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including sexual exploitation, forced labour, slavery, servitude, forced criminality and the removal of organs. Further information on the signs that someone may be a victim of modern slavery, the support available to victims and how to refer them to the NRM is available in the Statutory Guidance: [Modern slavery: how to identify and support victims](#).
- If there are concerns that any member of the community is a victim or involved with modern slavery, concerns should be shared with a DSL or deputy and will be responded to in line with this policy.

4.7 So-called Honour Based Abuse (HBA)

- So-called 'honour'-based abuse (HBA) encompasses incidents or crimes which have been committed to protect or defend the honour of the family and/or the community, including female genital mutilation (FGM), forced marriage, and practices such as breast ironing.
- All forms of HBA are abuse, regardless of the motivation, and concerns will be responded to in line with section 3 of this policy. Staff will report any concerns about HBA to the DSL (or a deputy). If there is an immediate threat, the police will be contacted.
- All staff will speak to the DSL (or deputy) if they have any concerns about forced marriage. Staff can also contact the Forced Marriage Unit if they need advice or information: 020 7008 0151 or fmfu@fcdo.gov.uk
- Whilst all staff will speak to the DSL (or deputy) if they have any concerns about FGM, there is a specific legal reporting duty on teachers.

- Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to personally report to the police where they discover that FGM appears to have been carried out on a girl.
- It will be rare for teachers to see visual evidence, and they should not be examining pupils. However, teachers who do not personally report such concerns may face disciplinary sanctions. Further information on when and how to make a report can be found at: [Mandatory reporting of female genital mutilation procedural information](#) and [FGM Mandatory reporting Duty Fact Sheet](#).
- Unless the teacher has good reason not to, they are expected to also discuss any FGM concerns with the DSL (or a deputy), and Kent Integrated Children's Services should be informed as appropriate.

4.8 Preventing Radicalisation

- Folkestone St. Mary's C. of E. Primary Academy recognises that children are vulnerable to extremist ideology and radicalisation. Folkestone St. Mary's C. of E. Primary Academy is aware of our duty under section 26 of the Counter-Terrorism and Security Act 2015 (the CTSA 2015), to have "due regard to the need to prevent people from being drawn into terrorism", also known as the Prevent duty and the [specific obligations](#) placed upon us as an education provider regarding risk assessments, working in partnership, staff training, and IT policies.
- All staff have received appropriate training to enable them to be alert to changes in children's behaviour which could indicate that they may need help or protection from radicalisation.
- Staff will report any concerns to the DSL (or a deputy), who is aware of the [local procedures](#) to follow for making a Prevent referral. If there is an immediate threat, the police will be contacted via 999.

4.9 Cybercrime

- Folkestone St. Mary's C. of E. Primary Academy recognises that children with particular skills and interests in computing and technology may inadvertently or deliberately stray into 'cyber-enabled' (crimes that can happen offline but are enabled at scale and at speed online) or 'cyber dependent' (crimes that can be committed only by using a computer/internet enabled device) cybercrime.
- If staff are concerned that a child may be at risk of becoming involved in cyber-dependent cybercrime, the DSL or a deputy will be informed, and consideration will be given to accessing local support and/or referring into the [Cyber Choices](#) programme, which aims to intervene when young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests.
- Where there are concerns about 'cyber-enabled' crime such as fraud, purchasing of illegal drugs online, child sexual abuse and exploitation, or other areas of concern such as online bullying or general online safety, they will be responded to in line with the child protection policy and other appropriate policies.

Kent DSLs can seek advice from Kent Police and/or the Education Safeguarding Service.

4.10 Domestic Abuse

- Folkestone St. Mary's C. of E. Primary Academy recognises that:
 - domestic abuse can encompass a wide range of behaviours and may be a single incident or a pattern of incidents.
 - domestic abuse can include, but is not limited to, psychological (including coercive control), physical, sexual, economic, or emotional abuse.
 - children can be victims of domestic abuse if they see, hear, or experience the effects of abuse at home and/or suffer domestic abuse in their own intimate relationships (teenage relationship abuse).
 - anyone can be a victim of domestic abuse, regardless of sexual identity, age, ethnicity, socio-economic status, sexuality or background, and domestic abuse can take place inside or outside of the home.
 - domestic abuse can take place within different types of relationships, including ex-partners and family members.
 - there is always a potential for domestic abuse to take place when parents/families separate, or for existing domestic abuse to persist or escalate post separation.
 - domestic abuse can have a detrimental and long-term impact on children's health, well-being, development, and ability to learn.

- domestic abuse concerns will not be looked at in isolation and our response will be considered as part of a holistic approach which takes into account children's lived experiences.
- it is important not to use victim blaming language and to adopt a trauma informed approach when responding to concerns relating to domestic abuse.
- If staff are concerned that a child may be at risk of seeing, hearing, or experiencing the effects of any form of domestic abuse, or in their own intimate relationships, immediate action should be taken by speaking to the DSL or a deputy.
- Folkestone St. Mary's C. of E. Primary Academy is an [Operation Encompass School](#). This means we work in partnership with Kent Police to provide support to children experiencing the effects of domestic abuse. An Operation Encompass notification is sent to the school when the police are called to an incident of domestic abuse and there are children in the household; the police are expected to inform schools before the child(ren) arrive the following day.
- Operation Encompass notifications help ensure that we have up to date and relevant information about children's circumstances and enables us to put immediate support in place according to the child's needs.
- Operation Encompass does not replace statutory safeguarding procedures and where appropriate, a referral to the front door will be made if there are any concerns about a child's welfare.
- Where the school is unsure of how to respond to a notification, advice will be sought from the Education Safeguarding Service or the Operation Encompass helpline which is available 8AM to 1PM, Monday to Friday on 0204 513 9990.

More information about the scheme and how schools can become involved is available on the [Operation Encompass website](#). Operation Encompass provides an advice and helpline service for all staff members from educational settings who may be concerned about children who have experienced domestic abuse. The helpline is available 8AM to 1PM, Monday to Friday on 0204 513 9990.

4.11 Mental Health

- All staff recognise that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- Staff are aware that children's experiences, for example where children have suffered abuse and neglect, or other potentially traumatic Adverse Childhood Experiences (ACEs), can impact on their mental health, behaviour, and education.
- Staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.
- If staff have a mental health concern about a child that is also a safeguarding concern, immediate action should be taken by speaking to the DSL or a deputy.

5 Supporting Children Potentially at Greater Risk of Harm

- Whilst **all** children should be protected, Folkestone St. Mary's C. of E. Primary Academy acknowledge that some groups of children are potentially at greater risk of harm. This can include the following groups:

5.1 Safeguarding children with Special Educational Needs or Disabilities (SEND)

- Folkestone St. Mary's C. of E. Primary Academy acknowledges that children with special educational needs or disabilities (SEND) or certain health conditions can face additional safeguarding challenges and barriers for recognising abuse and neglect.
- Folkestone St. Mary's C. of E. Primary Academy recognises that children with SEND may face additional communication barriers and experience difficulties in managing or reporting abuse or challenges. Children with SEND will be supported to communicate and ensure that their voice is heard and acted upon.
- All members of staff are encouraged to appropriately explore potential indicators of abuse such as behaviour, mood changes or injuries and not to assume that they are related to the child's disability. Staff will be mindful that children with SEND, or certain medical conditions may be disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.

- Members of staff are encouraged to be aware that children with SEND can be disproportionately impacted by safeguarding concerns, such as exploitation, peer group isolation or bullying including prejudice-based bullying.
- To address these additional challenges, our Academy will always consider implementing extra pastoral support and attention for children with SEND. The DSL will work closely with the SENCO (Mrs. Alison Johncock) to plan support as required.
- Our Academy has an intimate/personal care policy which ensures that the health, safety, independence, and welfare of children is promoted, and their dignity and privacy are respected. Arrangements for intimate and personal care are open and transparent and accompanied by robust recording systems. Further information can be requested from the DSL/Deputy DSL.

5.2 Children requiring Mental Health Support

- Folkestone St. Mary's C. of E. Primary Academy has an important role to play in supporting the mental health and wellbeing of our pupils. Mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- Where there are concerns regarding possible mental health problems for pupils, staff should:
 - Speak with Alison Johncock, or raise their concern with the DSL/Deputy DSL.
- Age/ability appropriate education will be provided to our pupils to help promote positive health, wellbeing, and resilience This will delivered in PSHE lessons following educational guidance.

5.3 Children who are absent from education

- Children being absent from education for prolonged periods and/or on repeat occasions can act as a vital warning sign to a range of safeguarding issues including neglect, child sexual and child criminal exploitation - particularly county lines.
- A robust response to children who are absent from education for prolonged periods and/or on repeat occasions will support the identification of such abuse and may help prevent the risk of children going missing in the future. This includes when problems are first emerging and also where children are already known to Kent Integrated Children's Services and/or have a social worker (such as a child who is a child in need or who has a child protection plan, or is a looked after child), where being absent from education may increase known safeguarding risks within the family or in the community.
- Where possible, the Academy will hold more than one emergency contact number for each pupil, so we have additional options to make contact with a responsible adult if a child missing education is also identified as a welfare and/or safeguarding concern (see section 3.5).
- Where the school has concerns that a child is missing from education, we will respond in line with our statutory duties (DfE: [Children missing education](#)) and local policies. Local support is available via the [PRU, Inclusion and Attendance Service \(PIAS\)](#).

5.4 Elective Home Education (EHE)

- Where a parent/carer expresses their intention to remove a child from school with a view to educating at home, we will respond in line with [national Elective Home Education guidance](#) and local [Kent guidance](#).
- We will work together with parents/carers and other key professionals and organisations to ensure decisions are made in the best interest of the child.

5.5 Children who need a social worker (child in need and child protection plans)

- The DSL will hold details of social workers working with children in the Academy so that decisions can be made in the best interests of the child's safety, welfare, and educational outcomes.

- Where children have a social worker, this will inform Academy decisions about their safety and promoting their welfare, for example, responding to unauthorised absence and provision of pastoral and/or academic support.

5.6 Looked after children, previously looked after children and care leavers

- Folkestone St. Mary's C. of E. Primary Academy recognises the common reason for children becoming looked after is as a result of abuse and/or neglect and a previously looked after child also potentially remains vulnerable.
- The school has appointed a '[designated teacher](#)' (Alison Johncock – Senco) who works with local authorities, including the [Virtual School Kent \(including the virtual school head\)](#), to promote the educational achievement of registered pupils who are looked after or who have been previously looked after.
- The designated teacher will work with the DSL to ensure appropriate staff have the information they need in relation to a child's looked after legal status, contact arrangements with birth parents or those with parental responsibility, care arrangements and the levels of authority delegated to the carer by the authority looking after them.
- Where a child is looked after, the DSL will hold details of the social worker and the name of the virtual school head in the authority that looks after the child.
- Where the Academy believes a child is being cared for as part of a private fostering arrangement (occurs when a child under 16 or 18 if the child is disabled is cared for and lives with an adult who is not a relative for 28 days or more) there is a duty to recognise these arrangements and inform the Local Authority via the Front Door.
- Where a child is leaving care, the DSL will hold details of the local authority Personal Advisor appointed to guide and support them and will liaise with them as necessary regarding any issues of concern.

5.7 Children who are Privately Fostered

- [Private fostering](#) occurs when a child under the age of 16 (under 18 for children with a disability) is provided with care and accommodation by a person who is not a parent, person with parental responsibility for them or a relative in their own home. A child is not privately fostered if the person caring for and accommodating them has done so for less than 28 days and does not intend to do so for longer. Such arrangements may come to the attention of our staff through the normal course of their interaction, and promotion of learning activities, with children.
- Where private fostering arrangements come to the attention of the Academy, we must notify Kent Integrated Children's Services in line with the local [KSCMP arrangements](#) in order to allow the local authority to check the arrangement is suitable and safe for the child.

6. Online Safety

- It is essential that children are safeguarded from potentially harmful and inappropriate material or behaviours online. Folkestone St. Mary's C. of E. Primary Academy will adopt a whole school approach to online safety which will empower, protect, and educate our pupils and staff in their use of technology and establish mechanisms to identify, intervene in, and escalate any concerns where appropriate.
- Folkestone St. Mary's C. of E. Primary Academy will ensure online safety is considered as a running and interrelated theme when devising and implementing our policies and procedures, and when planning our curriculum, staff training, the role and responsibilities of the DSL and parental engagement.
- Folkestone St. Mary's C. of E. Primary Academy identifies that the breadth of issues classified within online safety is considerable, but can be categorised into four areas of risk:
 - Content: being exposed to illegal, inappropriate or harmful content. For example, pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation and extremism.
 - Contact: being subjected to harmful online interaction with other users. For example, peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit them for sexual, criminal, financial or other purposes.
 - Conduct: personal online behaviour that increases the likelihood of, or causes, harm. For example, making, sending and receiving explicit images (including consensual and non-consensual sharing of nudes and semi-nudes and/or pornography), sharing other explicit images and online bullying.

- Commerce: risks such as online gambling, inappropriate advertising, phishing and or financial scams.
- Folkestone St. Mary's C. of E. Primary Academy recognises that technology and the risks and harms related to it evolve and change rapidly. The Academy will carry out an annual review of our approaches to online safety, supported by an annual risk assessment, which considers and reflects the current risks our children face online.
-
- The Head Teacher will be informed of any online safety concerns by the DSL, as appropriate. The named Governor for safeguarding will report on online safety practice and incidents, including outcomes, on a regular basis to the wider Governing Body.

6.1 Policies and Procedures

- The DSL has overall responsibility for online safety within the Academy but will liaise with other members of staff, for example IT technicians and curriculum leads as necessary.
- The DSL will respond to online safety concerns in line with our child protection and other associated policies, including our Anti-bullying policy, Social Media policy and behaviour policies.
 - Internal sanctions and/or support will be implemented as appropriate.
 - Where necessary, concerns will be escalated and reported to relevant partner agencies in line with local policies and procedures.
- Folkestone St. Mary's C. of E. Primary Academy uses a wide range of technology. This includes: computers, laptops, tablets and other digital devices, the internet, our learning platform, intranet and email systems.
 - All Academy owned devices and systems will be used in accordance with our acceptable use policies and with appropriate safety and security measures in place.
- Folkestone St. Mary's C. of E. Primary Academy recognises the specific risks that can be posed by mobile and smart technology, including mobile/smart phones, cameras, wearable technology and any other electronic devices with imaging and/or sharing capabilities. In accordance with KCSIE and EYFS:
 - Folkestone St. Mary's C. of E. Primary Academy has appropriate mobile and smart technology and image use policies in place, which are shared and understood by all members of the community. These policies can be found on the staff shared area and the school website.

6.2 Appropriate Filtering and Monitoring on Academy Devices and Networks

The appropriateness of filters and monitoring systems are a matter for individual schools and colleges; decisions about what is appropriate will be informed by the risk assessment required by the Prevent Duty, and will depend on the IT systems in place as well as the school/college risk profile, which includes: the age range/ability of children, the number of children, those who are potentially at greater risk of harm and how often they access devices and IT systems. The UK Safer Internet Centre has published guidance as to what "appropriate" filtering and monitoring might look like; DSLs and SLT should ensure they are familiar with this guidance and its implications.

To support schools to meet this duty, the Department for Education has published filtering and monitoring standards which set out that schools and colleges should:

- identify and assign roles and responsibilities to manage filtering and monitoring systems.
- review filtering and monitoring provision at least annually.
- block harmful and inappropriate content without unreasonably impacting teaching and learning.
- have effective monitoring strategies in place that meet their safeguarding needs.

Schools may already be addressing this content within other policies, for example Online Safety or ICT/IT policies; if so, schools/colleges may decide that this section can be reduced and cross-referenced. We recommend that if this is the case, DSLs and leaders ensure that the content within this section is sufficiently addressed.

- Folkestone St. Mary's C. of E. Primary Academy will do all we reasonably can to limit children's exposure to online harms through school provided devices and networks and in line with the requirements of the Prevent Duty and KCSIE, we will ensure that appropriate filtering and monitoring systems are in place.

- When implementing appropriate filtering and monitoring, Folkestone St. Mary's C. of E. Primary Academy, Folkestone St. Mary's C. of E. Primary Academy will ensure that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.
- Whilst filtering and monitoring is an important part of our online safety responsibilities, it is only one part of our approach to online safety and we recognise that we cannot rely on filtering and monitoring alone to safeguard our pupils; effective safeguarding practice, robust policies, appropriate classroom/behaviour management and regular education/training about safe and responsible use is essential and expected.
 - Pupils will use appropriate search tools, apps and online resources as identified by staff, following an informed risk assessment.
 - Internet use will be supervised by staff as appropriate to pupils' age, ability and potential risk of harm:

Responsibilities

- Our Governing Body has overall strategic responsibility for our filtering and monitoring approaches, including ensuring that our filtering and monitoring systems are regularly reviewed, and that the leadership team and relevant staff have an awareness and understanding of the appropriate filtering and monitoring provisions in place, manage them effectively and know how to escalate concerns when identified.
- Amanda Wolfram, a member of the senior leadership team is responsible for ensuring that our school/college has met the DfE [Filtering and monitoring standards](#) for schools and colleges.
- Our senior leadership team are responsible for
 - procuring filtering and monitoring systems.
 - documenting decisions on what is blocked or allowed and why.
 - reviewing the effectiveness of our provision.
 - overseeing reports.
 - ensuring that all staff understand their role, are appropriately trained, follow policies, processes and procedures and act on reports and concerns.
 - ensuring the DSL and IT service providers/staff have sufficient time and support to manage their filtering and monitoring responsibilities.
- The DSL has lead responsibility for overseeing and acting on:
 - any filtering and monitoring reports.
 - any child protection or safeguarding concerns identified.
 - checks to filtering and monitoring system.
- The IT service providers/staff have technical responsibility for:
 - maintaining filtering and monitoring systems.
 - providing filtering and monitoring reports.
 - completing technical actions identified following any concerns or checks to systems.
 - working with the senior leadership team and DSL to procure systems, identify risks, carry out reviews and carry out checks.
- All members of staff are provided with an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring as part of our induction process, and in our child protection staff training.
- All staff, pupils and parents/carers have a responsibility to follow this policy to report and record any filtering or monitoring concerns.

Decision making and reviewing our filtering and monitoring provision

- When procuring and/or making decisions about our filtering and monitoring provision, our senior leadership team works closely with the DSL and the IT staff. Decisions have been recorded and informed by an approach which ensures

our systems meet our Academy specific needs and circumstances, including but not limited to our pupil risk profile and specific technology use.

- Any changes to the filtering and monitoring approaches will be assessed by staff with safeguarding, educational and technical experience and, where appropriate, with consent from the leadership team; all changes to the filtering policy are logged and recorded.
- Our Academy undertakes an at least annual review of our filtering and monitoring systems to ensure we understand the changing needs and potential risks posed to our community.
- In addition, our Academy undertakes regular checks on our filtering and monitoring systems, which are logged and recorded, to ensure our approaches are effective and can provide assurance to the Governing Body that we are meeting our safeguarding obligations.
- These checks are achieved by:

Appropriate filtering

No filtering system can be 100% effective; we understand the coverage of our filtering system, and the limitations it has and we mitigate accordingly to minimize harm and meet the statutory requirements as identified in KCSIE and the Prevent Duty.

Folkestone St. Mary's C. of E. Primary Academy's education broadband connectivity is provided through Beaming Internet and Folkestone St. Mary's C. of E. Primary Academy uses Sophos Filtering.

Sophos is a member of Internet Watch Provider (IWF).

Sophos has signed up to Counter-Terrorism Internet Referral Unit list (CTIRU).

Sophos is blocking access to illegal content, including child sexual abuse material (CSAM).

Sophos blocks access to sites which could promote or include harmful and/or inappropriate behaviour or material. This includes content which promotes discrimination or extremism, drugs/substance misuse, malware/hacking, gambling, piracy and copyright theft, pro-self-harm, eating disorder and/or suicide content, pornographic content and violent material.

We filter internet use on all Academy owned, or provided, internet enabled devices and networks. This is achieved by: The Sophos filtering system provides filtering for all devices in the Academy including tablets, mobiles, laptops and guest access. Where possible, user logon information is logged.

Our filtering system is operational, up to date and is applied to all users, including guest accounts, all Academy owned devices and networks, and all devices using the Academy broadband connection.

- We work with Beaming Internet and our IT staff to ensure that our filtering policy is continually reviewed to reflect our needs and requirements.
- If there is failure in the software or abuse of the system, for example if pupils or staff accidentally or deliberately access, witness or suspect unsuitable material has been accessed, they are required to:
 - Insert details of your procedure, for example, turn off monitor/screen, use a screen cover widget, report the concern immediately to a member of staff, report the URL of the site to technical staff/services.
- Filtering breaches will be reported to the DSL and technical staff and will be recorded and escalated as appropriate and in line with relevant policies, including our child protection, acceptable use, allegations against staff and behaviour policies.
- Parents/carers will be informed of filtering breaches involving their child.

- Any access to material believed to indicate a risk of significant harm, or that could be illegal, will be reported as soon as it is identified to the appropriate agencies, including but not limited to the [Internet Watch Foundation](#) (where there are concerns about child sexual abuse material), [Kent Police](#), [NCA-CEOP](#) or [Kent Integrated Children's Services via the Kent Integrated Children's Services Portal](#).
- If staff are teaching topics which could create unusual activity on the filtering logs, or if staff perceive there to be unreasonable restrictions affecting teaching, learning or administration, they will report this to the DSL and/or leadership team.

Appropriate monitoring

No monitoring system can be 100% effective; we understand the coverage of our monitoring approaches system and any limitations, and we mitigate accordingly to minimise harm and meet the statutory requirements as identified in KCSIE and the Prevent duty.

- We will appropriately monitor internet use on all Academy provided devices and networks. This is achieved by:
 - On laptops and computers monitoring is provided by Impero which provides real time alerts when the filtering system detects an alert. User and search terms are logged along with a screenshot of the users device.
 - On ipads physical monitoring is provided by staff members. Filtering is still in place from the Sophos system.
 - Children do not take Academy devices home. No filtering or monitoring is provided on staff laptops while at home.
 - Guest access is not monitored but highly filtered.
 -
- All users will be informed that use of our devices and networks can/will be monitored and that all monitoring is in line with data protection, human rights and privacy legislation.
- If a concern is identified via our monitoring approaches:
 - Where the concern relates to pupils, it will be reported to the DSL and will be recorded and responded to in line with relevant policies, such as child protection, acceptable use and behaviour policies.
 - Where the concern relates to staff, it will be reported to the Head Teacher (or chair of governors if the concern relates to the headteacher), in line with our staff behavior/allegations policy.
- Where our monitoring approaches detect any immediate risk of harm or illegal activity, this will be reported as soon as possible to the appropriate agencies; including but not limited to, the emergency services via 999, [Kent Police](#) via 101, [NCA-CEOP](#) , LADO or [Kent Integrated Children's Services via the Kent Integrated Children's Services Portal](#).

6.3 Information Security and Access Management

- Folkestone St. Mary's CEP Academy is responsible for ensuring an appropriate level of security protection procedures are in place, in order to safeguard our systems as well as staff and pupils. Further information can be found acceptable use policies and online safety policy.
- Folkestone St. Mary's CEP Academy will review the effectiveness of our procedures periodically to keep up with evolving cyber-crime technologies.
- The Head Teacher, a member of the senior leadership team and the Safeguarding Governor, are responsible for ensuring that our Academy has met the DfE [cyber security standards](#) for schools and colleges. KCSIE 2023 states that schools and colleges should consider meeting the DfE Cyber security standards for schools and colleges.

6.4 Remote/Online Learning

Specific guidance for DSLs and SLT regarding remote learning is available at
DfE: [Safeguarding and remote education during coronavirus \(COVID-19\)](#)
NSPCC: [Undertaking remote teaching safely](#)
The Education People: [Remote Learning Guidance for SLT](#)

- Folkestone St. Mary's CEP Academy will ensure any remote sharing of information, communication and use of online learning tools and systems will be in line with privacy and data protection requirements and any local/national guidance.
- All communication with pupils and parents/carers will take place using Academy provided or approved communication channels; for example, Academy provided email accounts and phone numbers and/or agreed systems: Google Classroom, Microsoft 365 or equivalent.
 - Any pre-existing relationships or situations which mean this cannot be complied with will be discussed with the DSL.
- Staff and pupils will engage with remote teaching and learning in line with existing behaviour principles as set out in our Academy behaviour policy/code of conduct and Acceptable Use Policies.
- Staff and pupils will be encouraged to report issues experienced at home and concerns will be responded to in line with our child protection and other relevant policies.
- When delivering remote learning, staff will follow our Remote Learning Acceptable Use Policy (AUP).

6.5 Online Safety Training for Staff

- Folkestone St. Mary's C. of E. Primary Academy will ensure that all staff receive online safety training, which, amongst other things, will include providing them with an understanding of the expectations, applicable roles and their responsibilities in relation to filtering and monitoring, as part of induction.
- Ongoing online safety training and updates for all staff will be integrated, aligned and considered as part of our overarching safeguarding approach. See section 7 for more information.

6.6 Educating Pupils

- Folkestone St. Mary's CEP Academy will ensure a comprehensive whole Academy curriculum response is in place to enable all pupils to learn about and manage online risks effectively as part of providing a broad and balanced curriculum. See section 9 for more information.

6.7 Working with Parents/Carers

- Folkestone St. Mary's CEP Academy will build a partnership approach to online safety and will support parents/carers to become aware and alert of the potential benefits and risks and to reinforce the importance of children being safe online by:
 - For example, providing information on our Academy website and through existing communication channels (such as official social media, newsletters), offering specific online safety events for parents/carers or highlighting online safety at existing events.
- Folkestone St. Mary's CE Academy will ensure parents and carers understand what systems are used to filter and monitor their children's online use at Academy, what their children are being asked to do online, including the sites they will be asked to access and who from the Academy (if anyone) their child is going to be interacting with online. This is achieved by:
 - Include details here. For example, providing information on our school/college website and relevant policies such as acceptable use, home/school agreements and through existing communication channels.
- Where the Academy is made aware of any potentially harmful risks, challenges and/or hoaxes circulating online, national or locally, we will respond in line with the DfE '[Harmful online challenges and online hoaxes](#)' guidance to ensure we adopt a proportional and helpful response.

7. Staff Engagement and Expectations

7.1 Staff Awareness, Induction and Training

- All members of staff have either been provided with a copy of part one or received Hays KCSIE part one on line training of the current version of 'Keeping Children Safe in Education' which covers safeguarding information for staff.
 - Academy leaders, including the DSL and Safeguard Governors will read KCSIE in its entirety.
 - All members of staff have either signed or received a certificate to confirm that they have read and understood the national guidance shared with them. A staff safeguard training file is kept by the Deputy DSL.
- It is a requirement that all members of staff have access to this policy and new staff are requested to read and the contents.
- All new staff and volunteers (including agency and third-party staff) receive safeguarding and child protection training (including online safety, which, amongst other things, will include ensuring an understanding of the expectations, applicable roles and responsibilities in relation to filtering and monitoring) to ensure they are aware of the Academy internal safeguarding processes, as part of their induction. This training is regularly updated and is in line with advice from the local safeguarding partners and explores the Kent processes to follow. All staff complete Hays on line Safeguard Training every year and have to complete a safeguard quiz to show they have understood the training. They then provide a certificate Deputy DSL once this is complete.
- Folkestone St. Mary's C. of E. Primary Academy recognises the expertise staff build by undertaking safeguarding training and from managing safeguarding concerns on a daily basis, and staff are encouraged to contribute to and shape Academy safeguarding arrangements and child protection policies via input from knowledgeable and experienced staff, inviting input at staff meetings.
- All Governors receive appropriate safeguarding and child protection (including online safety) training at induction. This training equips them with the knowledge to provide strategic challenge to be assured that our safeguarding policies and procedures are effective and support the delivery of a robust whole school approach to safeguarding. This training is regularly updated. Hays training is sent out to all staff once a year and when this has been completed, a certificate is produced.
- The DSL/Head Teacher will provide an annual report to the Governing Body detailing safeguarding training undertaken by all staff and will maintain an up-to-date record of who has been trained.

7.2 Safer Working Practice

- Our Academy takes steps as outlined in this and other relevant policies to ensure processes are in place for staff that promote continuous vigilance, maintain an environment that deters and prevents abuse and challenges inappropriate behaviour.
- All members of staff are required to work within our clear guidelines on safer working practice as outlined in the Academy behaviour policy/code of conduct.
- The DSL/Site Team/Pastoral Team will ensure that all staff (including contractors) and volunteers are aware of the Academy expectations regarding safe and professional practice.
- Staff will be made aware of the Academy behaviour management and physical intervention policies. Staff will manage behaviour effectively to ensure a good and safe educational environment and will have a clear understanding of the needs of all children. Any physical interventions and/or use of reasonable force will be in line with our agreed policy and procedures, and national guidance.
- All staff will be made aware of the professional risks associated with the use of social media and electronic communication (such as email, mobile phones, texting, social networking). Staff will adhere to relevant Academy policies including staff behaviour policy, mobile and smart technology, Acceptable Use Policies (AUPs), and social media.

7.3 Supervision and support

- The induction process will include familiarisation with child protection responsibilities and procedures to be followed if members of staff have any concerns about a child's safety or welfare.
- The Academy will ensure that members of staff who are working within the foundation stage are provided with appropriate supervision in accordance with the statutory requirements of Early Years Foundation Stage (EYFS).
- The Academy will provide appropriate supervision and support for all members of staff to ensure that:
 - All staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children
 - All staff are supported by the DSL in their safeguarding role.
 - All members of staff have regular reviews of their own practice to ensure they improve over time.
- Any member of staff affected by issues arising from concerns for children's welfare or safety can seek support from the DSL.
- The DSL will also put staff in touch with outside agencies for professional support if they so wish. Staff can also approach organisations such as their Union, the Education Support Partnership or other similar organisations directly.

8. Safer Recruitment and Allegations Against Staff

8.1 Safer Recruitment and Safeguarding Checks

- Folkestone St. Mary's C. of E. Primary Academy is committed to ensure that we develop a safe culture and that all steps are taken to recruit staff and volunteers who are safe to work with our pupils and staff.
 - Folkestone St. Mary's C. of E. Primary Academy will follow Part three, 'Safer recruitment' of Keeping Children Safe in Education and relevant guidance from The Disclosure and Barring Service (DBS)
 - The governing body/proprietor/leadership/management committee and leadership team are responsible for ensuring that the Academy follows safe recruitment processes as outlined within guidance.
 - The governing body/proprietor/leadership/management committee will ensure that at least one of the persons who conducts an interview has completed safer recruitment training.
- The Academy maintains an accurate Single Central Record (SCR) in line with statutory guidance.
- Folkestone St. Mary's C. of E. Primary Academy are committed to supporting the statutory guidance from the Department for Education on the application of the Childcare (Disqualification) Regulations 2009 and related obligations under the Childcare Act 2006 in schools.

- We advise all staff to disclose any reason that may affect their suitability to work with children including convictions, cautions, court orders, reprimands, and warnings.
- Where the Academy places a pupil with an alternative provision provider, we continue to be responsible for the safeguarding of that pupil and will need to satisfy ourselves that the provider can meet the needs of the pupil.
 - Folkestone St. Mary's C. of E. Primary Academy will obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been carried out on individuals working at the establishment, i.e. those checks that our Academy would otherwise perform in respect of our own staff.
- Where the Academy organises work experience placements, we will follow the advice and guidance as identified in Part three of KCSIE.

8.2 Allegations/Concerns raised in relation to Staff, including Supply Teachers, Volunteers and Contractors

- Any concerns or allegations about staff will be recorded and dealt with appropriately in line with Part four of KCSIE and the local Kent allegations arrangements, including discussions as necessary with the Local Authority Designated Officer (LADO). In depth information can be found within our 'Managing Allegations against Staff' and/or staff behaviour policy/code of conduct policy. This can be found in the staff shared area.
- Any concerns or allegations about staff will be recorded and dealt with appropriately in line with Part four of KCSIE and local guidance. Ensuring concerns are dealt with effectively will protect those working in or on behalf of the Academy from potential false allegations or misunderstandings.
- Where Head Teacher is unsure how to respond, for example if the Academy is unsure if a concern meet the harm 'thresholds', advice will be sought via the Local Authority Designated Officer (LADO) Enquiry Line and/or the Education Safeguarding Service.
- In all cases where allegations are made against staff or low-level concerns are reported, once proceedings have been concluded, the Head Teacher (and if they have been involved the LADO) will consider the facts and determine whether any lessons can be learned and if any improvements can be made.
- In the situation that the Academy receives an allegation relating to an incident that happened when an individual or organisation was using our premises for the purposes of running activities for children (for example community groups, sports associations, or service providers that run extra-curricular activities), we will follow our safeguarding policies and procedures, including informing the LADO.

8.2.1 Concerns that meet the 'harm threshold'

- Folkestone St. Mary's C. of E. Primary Academy recognises that it is possible for any member of staff, including volunteers, governors, contractors, agency and third-party staff (including supply teachers) and visitors to behave in a way that indicates a person would pose a risk of harm if they continue to work in their present position, or in any capacity with children in a school or college. This includes when someone has:
 - behaved in a way that has harmed a child, or may have harmed a child
 - possibly committed a criminal offence against or related to a child
 - behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children
 - behaved or may have behaved in a way that indicates they may not be suitable to work with children.
- Allegations against staff which meet this threshold will be responded to and managed in line with Part four of KCSIE. Allegations that meet the harm threshold will be referred immediately to the Head Teacher who will contact the LADO to agree further action to be taken in respect of the child and staff member. In the event of allegations of abuse being made against the Head Teacher, staff are advised that allegations should be reported to the Chair of Governors who will contact the LADO.

8.2.2 Concerns that do not meet the 'harm threshold'

- Folkestone St. Mary's C. of E. Primary Academy may also need to take action in response to 'low-level' concerns about staff. Additional information regarding low-level concerns is contained with our staff behaviour policy/code of conduct – this includes what a low-level concern is, the importance of sharing them and the confidential procedure to follow when sharing them.
- Folkestone St. Mary's C. of E. Primary Academy has an open and transparent culture in which all concerns about all adults working in or on behalf of the Academy are dealt with promptly and appropriately; this enables us to identify inappropriate, problematic or concerning behaviour early, minimise the risk of abuse and ensure that adults working in or on behalf of the Academy are clear about and act within appropriate professional boundaries, and in accordance with our ethos and values.
- A 'low-level' concern does not mean that it is insignificant; a low-level concern is any concern that an adult working in or on behalf of the Academy may have acted in a way that is inconsistent with our staff behaviour policy/code of conduct, including inappropriate conduct outside of work and does not meet the 'harm threshold' or is otherwise not serious enough to consider a referral to the LADO.
- Low-level concerns may arise in several ways and from a number of sources. For example, suspicion, complaints, or allegations made by a child, parent or other adult within or outside of the organisation, or as a result of vetting checks.
- It is crucial that all low-level concerns are shared responsibly, recorded and dealt with appropriately to protect staff from becoming the subject of potential false low-level concerns or misunderstandings.
- Low-level concerns should be shared confidentially in line with our staff behaviour policy/code of conduct to the Head Teacher.
- Where low-level concerns are reported to the Academy, the Head Teacher will be informed of all low-level concerns and is the ultimate decision maker in respect of the response to all low-level concerns.
- The Head Teacher will share concerns and liaise with the LADO enquiries officer via the [LADO Enquiry Line](#).
- Low-level concerns shared about supply staff and contractors will be shared with their employers so any potential patterns of inappropriate behaviour can be identified.
- If the Academy is in any doubt as to whether the information which has been shared about a member of staff as a low-level concern in fact meets the harm threshold, we will consult with the LADO.
- Low-level concerns will be recorded in writing and reviewed so potential patterns of concerning, problematic or inappropriate behaviour can be identified.
- Records will be kept confidential and will be held securely and retained and in compliance with the Data Protection Act 2018 and the UK General Data Protection Regulation (UK GDPR) and other relevant policies and procedures (for example data retention policies).
- Where a pattern is identified, the Academy will implement appropriate action, for example consulting with [the LADO enquiry line](#) and following our disciplinary procedures.

a. Safe Culture

- As part of our approach to safeguarding, the Academy has created and embedded a culture of openness, trust and transparency in which our values and expected behaviour as set out in our staff behaviour policy/code of conduct are constantly lived, monitored and reinforced by all staff (including supply teachers, volunteers and contractors) and where all concerns are dealt with promptly and appropriately.
- Staff are encouraged and should feel confident to self-refer, if they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards. This includes where concerns may be felt to be deliberately invented or malicious; such allegations are extremely rare and as such all concerns should be reported and recorded.
- All staff and volunteers should feel able to raise any concerns about poor or unsafe practice and potential failures in the Academy safeguarding regime. The leadership team at Folkestone St. Mary's C. of E. Primary Academy will take all concerns or allegations received seriously.
- All members of staff are made aware of the Academy Whistleblowing procedure. It is a disciplinary offence not to report concerns about the conduct of a colleague that could place a child at risk.

- Staff can access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally. Staff can call 0800 028 0285 (08:00 to 08:00 Monday to Friday) or email help@nspcc.org.uk.
- Folkestone St. Mary's C. of E. Primary Academy has a legal duty to refer to the Disclosure and Barring Service (DBS) anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person.
- If these circumstances arise in relation to a member of staff at our Academy, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the [LADO](#) and/or Stone King (HR Provider).

9. Opportunities to Teach Safeguarding

- Folkestone St. Mary's C. of E. Primary Academy will ensure that children are taught about safeguarding, including online safety, as part of providing a broad and balanced curriculum. This will include covering relevant issues through Relationships Education (primary schools and Health Education (for all state-funded schools)).
- We recognise that the Academy plays an essential role in helping children to understand and identify the parameters of what is appropriate child and adult behaviour, what is 'safe,' to recognise when they and others close to them are not safe, and how to seek advice and support when they are concerned. Our curriculum provides opportunities for increasing self-awareness, self-esteem, social and emotional understanding, assertiveness and decision making so that pupils have a range of age-appropriate contacts and strategies to ensure their own protection and that of others.
- Folkestone St. Mary's C. of E. Primary Academy recognises the crucial role we have to play in preventative education. Preventative education is most effective in the context of a whole school approach which prepares pupils for life in modern Britain and creates a culture of zero tolerance for sexism, misogyny/misandry, homophobia, biphobic and sexual violence/harassment.
- Folkestone St. Mary's C. of E. Primary Academy has a clear set of values and standards, upheld, and demonstrated throughout all aspects of Academy life which are underpinned by our behaviour policy and pastoral support system, as well as by a planned programme of evidence based RSHE delivered in regularly timetabled lessons and reinforced throughout the whole curriculum. Our programme is fully inclusive and developed to be age and stage of development appropriate.
- Folkestone St. Mary's C. of E. Primary Academy recognises that a one size fits all approach will not be appropriate for all children, and a more personalised or contextualised approach, tailored to the specific needs and vulnerabilities of individual children might be needed, for example children who are victims of abuse and children with SEND.
- Our Academy systems support children to talk to a range of staff. All children will be listened to and heard, and their concerns will always be taken seriously and acted upon as appropriate.

10. Physical Safety

10.1 Use of 'reasonable force'

- There may be circumstances when it is appropriate for staff to use reasonable force in order to safeguard children from harm. Further information regarding our approach and expectations can be found in our behaviour policy and is in line with the DfE ['Use of reasonable force in schools'](#) guidance.

10.2 The use of Academy premises by other organisations

- Where our Academy facilities or premises are rented/hired out to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) we will ensure that appropriate arrangements are in place to keep children safe. Where those services or activities are provided under the direct supervision or management of our Academy staff, our existing arrangements for child protection, including this policy, will apply. Where services or activities are provided separately by another body using the Academy facilities/premises, the Head Teacher and Governing Body will seek assurance that the provider concerned has appropriate safeguarding and child

protection policies and procedures in place (including inspecting these as needed); and ensure that there are arrangements in place for the provider to liaise with the Academy on these matters where appropriate. If this assurance is not achieved, an application to use premises will be refused.

- Safeguarding requirements will be included in any transfer of control agreement (such as a lease or hire agreement), as a condition of use and occupation of the premises. Failure to comply with this will lead to termination of the agreement.

10.3 Site Security

- All members of staff have a responsibility for maintaining awareness of buildings and grounds security and for reporting concerns that may come to light.
- Appropriate checks will be undertaken in respect of visitors and volunteers coming into the Academy as outlined within national guidance. Visitors will be expected to sign in and out via the school office and to display a visitor's badge whilst on site.
- Any individual who is not known or identifiable on site should be challenged for clarification and reassurance.

Appendix 1: Categories of Abuse

All staff should be aware that abuse, neglect, and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases multiple issues will overlap with one another.

Abuse: a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. They may be abused by an adult or adults or another child or children. It should be noted that abuse can be carried out both on and offline and be perpetrated by men, women, and children.

Sexual abuse: involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing, and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Signs that MAY INDICATE Sexual Abuse

- Sudden changes in behaviour and performance
- Displays of affection which are sexual and age inappropriate
- Self-harm, self-mutilation or attempts at suicide
- Alluding to secrets which they cannot reveal
- Tendency to cling or need constant reassurance
- Regression to younger behaviour for example thumb sucking, playing with discarded toys, acting like a baby
- Distrust of familiar adults, for example, anxiety of being left with relatives, a childminder or lodger
- Unexplained gifts or money
- Depression and withdrawal
- Fear of undressing for PE
- Sexually transmitted disease
- Fire setting

Physical abuse: a form of abuse which may involve hitting, shaking, throwing, poisoning, burning, or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Signs that MAY INDICATE physical abuse

- Bruises and abrasions around the face
- Damage or injury around the mouth
- Bi-lateral injuries such as two bruised eyes
- Bruising to soft area of the face such as the cheeks
- Fingertip bruising to the front or back of torso
- Bite marks
- Burns or scalds (unusual patterns and spread of injuries)
- Deep contact burns such as cigarette burns
- Injuries suggesting beatings (strap marks, welts)
- Covering arms and legs even when hot
- Aggressive behaviour or severe temper outbursts.
- Injuries need to be accounted for. Inadequate, inconsistent, or excessively plausible explanations or a delay in seeking treatment should signal concern.

Emotional abuse: the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as overprotection and limitation of exploration and learning or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in

danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Signs that MAY INDICATE emotional abuse

- Over reaction to mistakes
- Lack of self-confidence/esteem
- Sudden speech disorders
- Self-harming
- Eating Disorders
- Extremes of passivity and/or aggression
- Compulsive stealing
- Drug, alcohol, solvent abuse
- Fear of parents being contacted
- Unwillingness or inability to play
- Excessive need for approval, attention, and affection

Neglect: the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing, and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Signs that MAY INDICATE neglect.

- Constant hunger
- Poor personal hygiene
- Constant tiredness
- Inadequate clothing
- Frequent lateness or non-attendance
- Untreated medical problems
- Poor relationship with peers
- Compulsive stealing and scavenging
- Rocking, hair twisting and thumb sucking
- Running away
- Loss of weight or being constantly underweight
- Low self esteem

Appendix 2: Mobile Phone Policy

Mobile Phone Policy

Mobile Phone Policy for Staff and Pupils

Introduction and Aims

At Folkestone St. Mary's CEP Academy, the welfare and wellbeing of our pupils is paramount. The aim of the Mobile Phone Policy is to allow users to benefit from modern communication technologies, whilst promoting safe and appropriate practice through establishing clear and robust acceptable mobile user guidelines. This is achieved through balancing protection against potential misuse with the recognition that mobile phones are effective communication tools. It is recognised that it is the enhanced functions of many mobile phones that cause the most concern, offering distractions and disruption to the working day and which are most susceptible to misuse – including the taking and distribution of indecent images, exploitation and bullying. However, as it is difficult to detect specific usage, this policy refers to ALL mobile communication devices.

Scope

This policy applies to all individuals who have access to personal mobile phones on site. This includes staff, volunteers, proprietors, children, young people, parents, carers, visitors and contractors. This list is not exhaustive. This policy should also be read in relation to the following documentation:-

- Safeguarding Policy
- Behaviour and Anti-bullying Policies
- Staff Code of Conduct
- E Safety Policy

Code of Conduct

A code of conduct is promoted with the aim of creating a cooperative workforce, where staff work as a team, have high values and respect each other; thus creating a strong morale and sense of commitment leading to increased productivity. Our aim is therefore that all practitioners:-

- Have a clear understanding of what constitutes misuse.
- Know how to minimise risk.
- Avoid putting themselves into compromising situations which could be misinterpreted and lead to possible allegations.
- Understand the need for professional boundaries and clear guidance regarding acceptable use.
- Are responsible for self-moderation of their own behaviours.
- Are aware of the importance of reporting concerns promptly.

It is fully recognised that imposing rigid regulations on the actions of others can be counterproductive.

An agreement of trust is therefore promoted regarding the carrying and use of mobile phones within the setting, which is agreed to by all users.

Personal Mobiles – Staff

- Staff are not permitted to make/receive calls/texts during contact time with children. Emergency contact should be made via the school office and/or via landlines. If you are in a location where communication is not possible, then staff may carry a mobile phone for emergency use only.
- Staff should have their phones on silent or switched off.
- Use of phones for personal use should be limited to non-contact time when no children are present e.g. in office areas, staff room, empty classrooms.
- It is our expectation that staff must security protect access to their phone.
- Should there be exceptional circumstances (e.g. acutely sick relative), then staff should make the Head Teacher and office staff aware of this so messages can be relayed promptly.
- Staff are not at any time permitted to use recording equipment on their mobile phones, for example: to take recordings of children, or sharing images. Legitimate recordings and photographs should be captured using school equipment such as cameras, iPads or school phones.
- Staff should report any usage of mobile devices that causes them concern to the Head Teacher.
- When using CPOMS, we strongly encourage staff to use their school laptop to log an incident, as opposed to their personal phone. We appreciate there may have to be exceptional circumstances, however staff should log out of the App immediately.

Mobile Phones for work related purposes

We recognise that mobile phones provide a useful means of communication on off-site activities. However, staff should ensure that:-

- Mobile phones used on these occasions are appropriate and professional (and will never include taking photographs of children).
- Mobile phones should not be used to make contact with parents during school trips – all relevant communications should be made via the school office (other than outside of normal school hours).
- Where parents are accompanying trips, they should be informed not to make contact with other parents (via calls, text, email or social networking) during the trip or use their phone to take photographs of children.

Personal Mobiles – Pupils

Mobile phones include any device that can make or receive calls or connect to the internet.

We recognise that mobile phones are part of everyday life for many children and that they can play an important role in helping pupils to feel safe and secure. However, we also recognise that they can prove a distraction in school and can provide a means of bullying or intimidating others. Therefore:-

- Pupils are not permitted to have mobile phones on trips.
- If it is necessary for a child to bring a mobile phone to school, it must be handed in to the nominated staff member at the beginning of each day and collected at the end of each day. The phones will be kept in the school office. Whilst we will endeavour to look after these phones in safe storage, the Academy takes no responsibility for any accidental loss or damage to mobile phones brought into school.
- Where mobile phones are used in or out of school to bully or intimidate others, then the Head Teacher does have the power to intervene 'to such an extent as it is reasonable to regulate the behaviour of pupils when they are off the school site'.

Volunteers, Visitors, Proprietors, Advisers and Contractors

All Volunteers, Visitors, Proprietors, Advisers and Contractors are expected to follow our mobile phone policy as it relates to staff whilst on the premises. On arrival, such visitors will be informed of our expectations around the use of mobile phones.

Parents

While we would prefer parents not to use their mobile phones while on school premises, we recognise that this would be impossible to regulate and that many parents see their phones as essential means of communication at all times. We, therefore, ask that parents' usage of mobile phones, whilst on the school site is courteous and appropriate to the school environment.

We do allow parents to photograph or video school events such as shows or sports day using their mobile phones – **but insist that parents do not publish images (e.g. on social networking sites) that include any children other than their own.** Parents/carers are reminded of this at the start of every school performance, on sports day, etc. and will receive written reminder in the Newsletter at the start of the academic year.

Dissemination

The mobile phone policy will be shared with staff and volunteers as part of their induction. It will also be available to parents via the school office and it will be on the school website.
